Dear Music Educator,

The North Jersey School Music Association and the New Jersey Chapter of the National Band Association is proud to present the 20th Annual Region I High School Concert Band Festival.

Regions II and III will also be hosting Concert Band Festivals in March. The four highest rated ensembles from Region I will be selected to perform at the State Gala Concert, date and location to be announced at a later date.

To ensure a positive educational experience, the festival will feature highly qualified adjudicators. This year we are honored to have Stanley Schoonover from Fairfax, Virginia, and Dr. Eric Hinton from Susquehanna University as our adjudicators. Each band will receive a plaque commemorating their participation with a rating of Gold, Silver, or Bronze or a Participation Award. Awards will also be presented for outstanding woodwind, brass, and percussion sections, as well as outstanding soloist awards.

At the festival, each band will play two adjudicated selections. One selection must be from the National Band Association Selective Music List. The second selection does not need to be from the list, but should be at a similar grade level. The judges will rate the ensembles relative to the grade level of the music chosen. For example, a band that performs grade 2 or 3 literature at the highest level will be rewarded by receiving a Gold rating. Only bands that choose to play music of a grade level of 4, 5, or 6 will be considered for the State Gala Concert.

All bands will arrive at each festival site and proceed directly to the auditorium. Each band will be given a twenty-five minute segment to set up, warm up, perform and depart the stage. It is extremely important that all students/band members remain in the auditorium for all performances. Parents, family, and friends are encouraged to attend the festivals.

The purpose of the Region I Concert Band Festival is to foster and promote the growth of the most important aspect of our programs by offering an adjudicated, clinic, and performance opportunity. In addition to receiving quality feedback from outstanding music educators, your students will have the opportunity to listen to other fine ensembles from our region. Registration will be handled on a first come, first served basis.

Please do not hesitate to contact either of us if you have any questions.

Sincerely,
